

Let's Give Thanks

John Greenwood

The image shows the first two lines of musical notation for the song 'Let's Give Thanks'. The music is written in 4/4 time on a single treble clef staff. The first line contains the first two measures of the melody, with chords C, C7, F, G, and C indicated above the staff. The second line contains the next two measures, with chords Am, F, G, and C indicated above the staff. The lyrics are written below the notes, with some words underlined. The first line of lyrics is 'Look at our broth-ers both short and tall, shake hands and smile for the good of all,' and the second line is 'so clasp our hands and let's give thanks for our friends'.

Look at our bodies so full and fat,
Think of our neighbours who don't have that,
So clasp our hands and let's give thanks
for our food.

Think of our families whose care has shown,
They love us more than we've ever known,
So clasp our hands and let's give thanks
for their love.

Think of our land so strong and free,
How many others would want their's to be,
So clasp our hands and let's give thanks
for this land.

Our situation here you see,
Is about as fine as fine can be,
For many blessings life has brought,
Let's give thanks.

La la la la....
